UNINTENTIONALLY ABANDONED PATENT APPLICATION, UNDER 37 C.F.R. 1.137(B)**

Attention: Office of Petitions  
**Mail Stop Petition**  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

SIR:

Applicant submits this statement in support of his Petition to Revive the above-referenced patent application which was abandoned unintentionally, following issuance of a Notice of Allowance dated February 6, 2006.

The patent application became unintentionally abandoned because the Patent Office did not receive the issue and publication fees that were required to be paid by the May 8, 2006 deadline, as set forth in the Notice of Allowance. This occurred because on May 5, 2006 an envelope that the undersigned used to mail the issue fee, the publication fee, and the Issue Fee Transmittal was addressed to the Commissioner for Patents at the former Washington, DC address, as opposed to the present Alexandria, Virginia address. As a result, the United States Postal Service did not deliver or forward the envelop to the Patent Office, opting instead to return the envelop to the undersigned which was received

on June 1, 2006. Attached as Exhibit A is a copy of the face of the Transmittal Letter, the Issue Fee Transmittal, the check (no. 12643) issued by the undersigned's firm to pay the issue and publication fees, and first side of a return post card. Each of these items were addressed to the Commissioner for Patents and deposited with the United States Postal Service on May 5, 2006, which was before the May 8, 2006 deadline to pay the issue and publication fees.

The United States Postal Service also returned an envelope that contained a Supplemental Declaration and Power of Attorney that was submitted to correct the spelling of the inventor's name in the records of the Patent Office. The inventor's first name is missing a "c" from the name Jacques. This spelling error occurred because the inventor's first name was misspelled in his original Declaration and Power of Attorney that was filed with the Application. Accordingly, on May 5, 2006, the undersigned submitted to the Patent Office a Supplemental Declaration. However, the envelope containing the Supplemental Declaration and Power of Attorney was mistakenly addressed to the Commissioner for Patents at the former Washington, DC address, as opposed to the present Alexandria, Virginia address. Attached as Exhibit B is a copy of the face of the envelop, the Supplemental Declaration To Correct Spelling Of Inventor's Name, and the face of a return post card that were deposited on May 5, 2006.

In support of the enclosed Petition to Revive, enclosed is complete response to the February 6, 2006 Notice of Allowance. Enclosed is a Petition for Revival of an Application For Patent Abandoned Unintentionally Under 37 C.F.R. 1.137(b), the Issue Fee Transmittal executed on May 5, 2006, a Supplemental Declaration and Power of Attorney, and a check (no. 12787) in the amount of \$1,780 to cover the petition, issue and publication fees.

A self-addressed, postage paid, return receipt postcard is also enclosed, for which a date stamp and return is respectfully requested.

Authorization is hereby provided to charge any necessary additional fees or credit any overpayment to Deposit Account No. 03-0678. Applicant is a small entity.
